10 Pradhan Mantri Khanij Kshetra Kalyan Yojana (PMKKKY)

The Pradhan Mantri Khanij Kshetra Kalyan Yojana (PMKKKY) will be implemented by the District Mineral Foundations (DMFs) of the respective districts using the funds accruing to the DMF. The overall objective of PMKKKY scheme will be:

- (a) To implement various developmental and welfare projects/programs in mining affected areas, and these projects/programs will be complementing the existing ongoing schemes/projects of State and Central Government;
- (b) To minimize/mitigate the adverse impacts, during and after mining, on the environment, health and socio-economics of people in mining districts; and
- (c) To ensure long-term sustainable livelihoods for the affected people in mining areas.

10.1 Scope of PMKKKY and Utilization of Funds

The PMKKKY may cover the activities as prioritized below:

10.1.1 High priority areas – at least 60% of PMKKKY funds to be utilized under these heads:

- (a) **Drinking water supply** –centralized purification systems, water treatment plants, permanent/temporary water distribution network including standalone facilities for drinking water, laying of piped water supply system.
- (b) **Environment preservation and pollution control measures-** effluent treatment plants, prevention of pollution of streams, lakes, ponds, ground water, other water sources in the region, measure for controlling air and dust pollution caused by mining operations and dumps, mine drainage system,

mine pollution prevention technologies, and measures for working or abandoned mines and other air, water & surface pollution control mechanisms required for environment-friendly and sustainable mine development.

- (c) **Health care** –the focus must be on creation of primary/secondary health care facilities in the affected areas. The emphasis should not be only on the creation of the health care infrastructure, but also on provision of necessary staffing, equipment and supplies required for making such facilities effective. To that extent, the effort should be to supplement and work in convergence with the existing health care infrastructure of the local bodies, state and Central government. The expertise available with the National Institute of Miners' Health may also be drawn upon to design special infrastructure needed to take care of mining related illnesses and diseases. Group Insurance Scheme for health care may be implemented for mining affected persons.
- (d) **Education** – construction of school buildings, Additional class rooms, Laboratories, Libraries, Art and crafts room, Toilet blocks, Drinking water provisions Residential Hostels for students/teachers in remote areas,, sports infrastructure, engagement of teachers/other supporting staff, e-learning setup, other arrangement of transport facilities (bus/van/cycles/rickshaws/etc.) and nutrition related programs.
- (e) **Welfare of Women and Children-** Special programmes for addressing problems of maternal and child health, malnutrition, infectious diseases, etc. can be taken up under the PMKKKY.
- (f) **Welfare of aged and disabled people** – Special program for welfare of aged and disabled people.
- (g) **Skill development**–skill development for livelihood support, income generation and economic activities for local eligible persons. The projects / schemes may include training, development of skill development center, self employment schemes, support to Self Help Groups and provision of forward and backward linkages for such self-employment economic activities.
- (h) **Sanitation**– collection, transportation & disposal of waste, cleaning of public places, provision of proper drainage & Sewage Treatment Plant, provision for disposal of fecal sludge, provision of toilets and other related activities.

10.1.2 Other priority Areas – Upto 40% of the PMKKKY to be utilized under these heads

- (a) **Physical infrastructure** - providing required physical infrastructure - road, bridges, railways and waterways projects.
- (b) **Irrigation** - developing alternate sources of irrigation, adoption of suitable and advanced irrigation techniques.
- (c) **Energy and Watershed Development** - Development of alternate source of energy (including micro-hydel) and rainwater harvesting system. Development of orchards, integrated farming and economic forestry and restoration of catchments.
- (d) **Any other measures for enhancing environmental quality in mining district.**

10.2 General guidelines

- (a) The developmental and welfare activities to be taken up under the PMKKKY should be, as far as possible, in the nature of complementing the ongoing schemes/projects being funded by the State as well Central Government. Activities meant to be taken up under the 'polluter pays principle' should not be taken up under the PMKKKY. However, without prejudice to the powers of the Foundation, efforts shall be made to achieve convergence with the State

and the District Plans so that the activities taken up by the Foundation supplement the development and welfare activities and are treated as extra budgetary resources for the State Plan.

- (b) An amount not exceeding 5% of the annual receipts of the Foundation subject to an upper limit fixed by state government may be utilised for administrative, supervisory and overhead costs of the Foundation. As far as possible, no temporary/permanent posts should be created under PMKKKY. Any creation of temporary/permanent posts and purchase of vehicle by the foundation shall require prior approval of the State Government. However, minimum required staff can be engaged on contractual basis.
- (c) If the affected area of a mine in one district also falls in the jurisdiction of another district, such percentage of amount collected from the mine by the Foundation, as may be decided by the Government, shall be transferred to the Foundation of the other district concerned for taking up the activities in such areas. A project that is for benefit of the affected area/ people, but stretches beyond the geographical boundary of the district should be taken up under the PMKKKY after obtaining prior approval of the State Government. Projects for development of common infrastructure like construction of roads, bridges etc. in excess of the limits specified in regard to the priority for fund utilization, on a case to case basis, may also be taken up for projects of importance to the District. The prior approval of the State Government need to be taken, with intimation to the Central Government, before taking up such works in excess of the limits of fund utilization.
- (d) A reasonable sum of the annual receipts should be kept as endowment fund for providing sustainable livelihood.

10.3 Special provisions for scheduled areas

The process to be adopted for utilization of PMKKKY funds in the scheduled areas shall be guided by the provisions contained in Article 244 read with Schedule V and Schedule VI to the Constitution relating to administration of the Scheduled Areas and Tribal Areas and the Provisions of the Panchayats (Extension to the Scheduled Areas) Act, 1996 and the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.
